**AIRCRAFT TECHNICAL INFORMATION AND STATEMENT OF
CONDITION**

Aircraft # 55

Aero Vodochody L-39C Albatross

This aircraft's simple quality design has proven itself in a variety of climates. It is easy to maintain, it's reliable, requires simple pre-flight checks and does not require a full time ground crew. The airframe has a proven service life of 6,000 hours! A turbofan engine with low fuel consumption and low sensitivity to FOD combined with high wing protected air intakes makes this aircraft ideal for operations from unimproved airstrips and for training. Only \$275,000!

WORLDWIDE WARBIRDS INC

GENERAL INFORMATION

- **Year of manufacture: 1981**
- **Airframe total time since new: 2386 hours, 921 since overhaul**
