

Worldwide Warbirds Inc Sales Presentation

Aero Vodochody L-39

N150XX

Front left view

Front right view

N150XX

▶ GENERAL INFORMATION

- ▶ Airworthy and ready to fly away! Owner's loss is your tactical jet for less than a late model Cessna 172!
- ▶ This entry level bird is a great plane for someone who is looking to cosmetically restore to their specifications, or just wants a basic flyer. Inverters just overhauled and plane recently flown.
