▶ MORE!

- ▶ Rare find at a great price! Aerostar factory IRAN'd aircraft prior to assembly and detail work done by Worldwide Warbirds in 2002. Aircraft is highly detailed and ready to fly away! Compare to other aircraft with nearly new engines...this is the best all-around value available today!
- ▶ Standard WW detail – polished intakes and tail pipe – detailed gun, even on the inside --- very cool!
- ▶ 3 color Russian blue camo exterior done in 2004
- ▶ **Price: \$299,000.00**
